PLEASE NOTE THAT WE DO NOT SIGN PASSPORTS AND WE DO NOT PROVIDE CERTIFICATES FOR HEALTH CLUBS INDICATING PATIENTS' FITNESS TO ATTEND

The National Health Service provides health care to patients free of charge, but there are exceptions. GP's are self-employed and are contracted to provide NHS general medical services for their patients. The above list is non-NHS core work and we are not obliged to carry out these services without charging appropriate fees. The above fees have been recommended by the British Medical Association.
