

Community Treatment and Care Service (CTACS)

Calling patients at Harbours GP practice

You can now access your own CTACS at Harbours GP Practice for wound management, stitch and staple removals and B12 injections without a GP referral. Or you can visit any East Lothian CTACS that is convenient for you. Make your appointment by phoning CTACS on

0131 446 4227

Phone line is open Monday to Friday from
8.30am-12.30pm and 1.30-4.30pm
