

# DRIVERS NEEDED IN EAST LOTHIAN

## VOLUNTEER DRIVERS NEEDED URGENTLY

Our Community Transport Service supports older people in our communities who have trouble accessing transport with ease. The majority of our journeys are to help people to attend medical appointments, access shopping, go to social groups and generally to avoid social isolation by getting out and about.

If you could spare a couple of hours a week to be a volunteer driver and help older people, we'd love to hear from you.
